

THE STORY ARTIST LAB

Storyboarding Test

Please note that every applicant will need to apply with this Storyboarding Test alongside their portfolio of work.

A sequence has been set up with classic animation characters Woody and Buzz Lightyear from Toy Story. You should all know them reasonably well as characters, know how they would respond and act in a sequence like this. If not, go watch Toy Story 1.

What we are looking for in your test:

- Acting
- Staging & Composition
- Editing (shot continuity and construction)

THE STORY ARTIST LAB

Characters – Woody, Buzz Lightyear & Andy (Toy Story)

Location - Andy's Room

SEQUENCE BEATS

- Woody and Buzz are arguing with each other (they are at opposite sides of the room)
- As the arguing escalates, they walk toward each other.
- They meet in the middle of the room face to face
(remember they are different heights / Woody taller / Buzz shorter)
- They both hear a noise from outside in the hallway (Andy is outside door)
- Woody and Buzz drop on the floor lifeless.
- Andy comes into room
- He walks around looking for something, then leaves
- End on Woody & Buzz looking at each other with concern
